I, Sumi Shiga, being first duly sworn, upon oath, depose and say as follows:

1. My true name is Sumi Shiga and I reside at South 403 Chandler, Spokane, County of Spokane, State of Washington. That I have previously been known as Shimi Shiga and also as Sumiko Shiga but when I became a naturalized citizen of the United States in a hearing before the United States District Court for the Eastern District of Washington at Spokane, Washington I had my name changed to Sumi Shiga. That my maiden name is Sumi Suzuki and I have been known also as Sumiko Suzuki and Shimi Suzuki.

2. That I am the mother of ~~Kimiko Shiga~~ who was born in Potlatch, County of Latah, State of Idaho on July 11, 1920 and which birth is recorded at the State of Idaho, Bureau of Vital Statistics, Registration District Number 65; File Number 81847 and Primary Registration District Number 2145. That the father of the said Kimiko Shiga is Masami Shiga, my husband, and my name as mother was reported as Shimi Suzuki.

3. That the birth of said Kimiko Shiga is erroneously reported as July 13, 1920 and the true birth date is and should be July 11, 1920 and I recently discovered the true birth date as I have previously recorded it in some of my Japanese records and diaries. I have previously requested the change to July 13, 1920 but now I am convinced that the date is July 11, 1920.

Dear Mrs. Taylor:

We have searched our files and find both your children's certificates on file. The record of your son is correctly filed and ready for a photostat copy.

However, on your daughter's record, the information concerning the mother is correct, but the child is marked as illegitimate, with information about the father unknown.

Since your son was born in 1913 and was a legitimate child, this is, no doubt, a mistake on the part of the doctor. Will you please complete the enclosed affidavit giving all information requested. On ~~his~~ return, we will issue both copies.

Very truly yours,

SEVERAL REASONS WHY A CERTIFICATE OF BIRTH SHOULD  
BE FILED FOR EACH CHILD AND THE SAME COMPLETED WITH THE NAME OF CHILD:

- - - - -

Birth registration is part of every child's birthright.

It establishes legally the date of the child's birth, parentage and legitimacy.

It enables the Public Health Nurse to make sure the child has been protected from danger of blindness and other infections at birth.

- - - - IT SHOWS AT LATER PERIODS OF LIFE: - - - -

1. The correct age for purposes of school attendance.
2. Employment.
3. Protection under the law.
4. Military and jury duty.
5. Right to travel unmolested in foreign lands.
6. Right to vote.
7. Right to receive pensions and inherit property.
8. Furnishes acceptable evidence of genealogy.
9. Right to get married.
10. Just at this time while many of the Ex-Service men are compelled to furnish certified copies of certificates of birth, it is important that the certificates be filed with the BUREAU OF VITAL STATISTICS and the same completed by furnishing the name of the child.

PLEASE ASSIST BY FURNISHING THE NAME OF YOUR CHILD.
